

HISTORICAL RESOURCE DEVELOPMENT

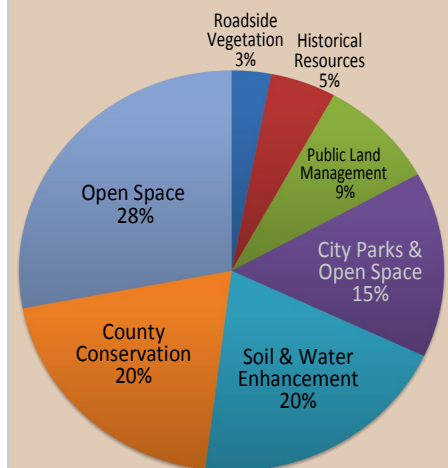

5% of the REAP funds goes to the Historical Resource Development Program (HRDP), which has amounted to approximately \$14 Million since 1990. Grant funds have been awarded for nearly 1200 historical projects across the state.

The purpose of the REAP/HRDP Grants Program is to provide funds to preserve, conserve, interpret, enhance, and educate the public about the historical resources of Iowa. HRDP funds projects in three categories: Documentary Collections, Historic Preservation, and Museums. Grants are awarded on an annual basis, with applications due each year on May 15th. Funded projects can begin on July 1st.

REAP/HRDP funds are also available for country school projects and emergency grants.
